Three Arrows Capital, Ltd. (in Liquidation) (the “Company”) (“3AC”)
Joint Liquidators – Russell Crumpler and Christopher Farmer (“JLs”)

Notice in Respect of Starry Night Portfolio

Thanks to the cooperation of VincentVanDough (“VVD”), all Starry Night Capital NFTs, of which VVD is aware, have been accounted for and are in our possession or are being transferred to us. We would like to make clear that VVD has co-operated with the JLs in an effort to protect the value of these assets for the benefit of all relevant stakeholders and has sought to ensure that no Starry Night Portfolio assets would be disposed of improperly, or without sanction of the BVI Court if required.

In an effort to preserve as much capital as possible VVD has offered to assist with the eventual sale of all 3AC NFTs and will likely be working with us to oversee the disposal of these assets. More details about the disposal process will be shared at a later date.

If you consider that you are an investor into the Starry Night Portfolio impacted by this matter, and have questions about the liquidation process, we encourage you to contact us at 3acliquidation@teneo.com.
